Saturday, March 7, 2015
Lake Quinault School

6130 U.S. 101

Amanda Park, Washington (see map below)

10:00 AM – 3:00 PM

Lunch is provided.

Coffee and snacks will be available starting at 9:00 AM.

Come by 9:30 AM if you have set-up to do.

PLEASE bring a laptop or tablet to take the final survey.

(We will have some extras but if you can bring your own that will be very helpful)

As previously described, in order to maximize discussion time, we have planned for very short announcement-style “here’s what we did” followed by time to mingle among the displays and have discussions individually and as a group. Half the teams will be “on deck” during the morning and half in the afternoon. We have arranged the teams in order to provide variety, interaction between the two workshop groups, and spread-out the AV needs.
